- Don't forget to check the Summer Holiday What's on Guide for my activities and things to do.
- Remember to add stay at home days if your kids need that too, if they can handle that. School holidays are for your children to relax too.
- If they find no plan a challenge , add regular things like meal times, garden time, TV time, tech time and game time to their planner.
- Remember to add on things like haircuts, school uniform shopping, shoe shopping, Dr, dentist and health appointments, back to school dates.
- Include things like trips to the park, visits to friends and family, trip to the splash park, Morecambe Prom, Williamson's Park, Butterfly House, Lakelands Wildlife Oasis, and Blackpool Zoo etc.
- If you are going out and you get carers allowance or your child gets DLA, take a copy of your award letter to see if you can get a free entry ticket.
- Maybe plan to go passed school a couple of times and talk about how much their teachers will be looking forward to seeing them when they go back to hear about their holiday fun.
- Make a scrap book of tickets collected, pictures / drawings of what they have done, leaflets from where you have been to share with their teachers / start a conversation about something fun they did.
